7. Report on U. S. Personnel Overseas

25X1

OTR comments on the OCB Report on U. S. Personnel Overseas were prepared and sent to Mr. _______, CIA's Board Assistant. The comments pertained to OTR activities and interests relating to seven of the twenty-one recommendations contained in the 1958 OCB report. These recommendations will probably come under annual review and this year, for the first time, CIA may be required to make some form of annual or semiannual report to the OCB on its overseas personnel activities.
